News

On Wednesday 19th September, we will be hosting a Careers Fair in G50 and G51.

This will be open to all students in Years 9, 10 and 11.

Being well-informed about future career options is essential when making choices about which qualifications to study at GCSE, in Post-16 education and beyond.

We trust all students to make the most of the opportunities to learn a little about the career pathways that are open to them in the future.

Charity

Following on from our fund-raising activities to raise monies for Macmillan Cancer Relief at the end of September, we sent round envelopes to enable further contributions over the following week.

We have now had time to count the proceeds and are proud to announce that we have raised—in total—£85 for the charity. This is money that can be used to support families of those suffering with cancer.

Our next huge charity event will be Children in Need which, this year, will take place on November 18th. Our newly appointed Charity Leaders will be planning great activities to celebrate this occasion.

Puzzle: What do the following words have in common?

Teams

Mates

Steam

Tames

Leadership

As is evidenced by our weekly focus on charitable events in our newsletter, charity is an aspect of leadership that we want to develop even more this year.

To this end, we are increasing the number of students participating as Charity Leaders in all year groups.

These students are a mix of volunteers and those selected by staff. Each student selected can feel proud of their accomplishment in attaining the position. We look forward to hearing all about their ideas for the rest of the year.

Literacy

This term, our Star Read Aloud choices have been Refugee Boy, The Graveyard Book, River Boy, Coram Boy and The Book Thief.

Some classes are now nearing the point where they are ready to go on their next literary adventure.

Your Reading Ambassadors will be offered the opportunity to investigate the options for your next class reader. After half-term, they will be invited to check out the books that their year group have at their disposal and select those which most appeal.

Perhaps they will even return to you with information about the choices and present the best picks for your deliberation.
