News

On Sunday, the World Cup will kick off in Qatar.

It is unusual for the tournament to be conducted in December, but Qatar's temperatures rendered a summer tournament problematic.

England and Wales, along with 30 other teams will be aiming to emulate previous winners France by reaching and winning the final on December 18th (when we will already have broken up for the Christmas winter break!)

Let's hope for a cracking tournament.

Charity

Friday 18th November is Children in Need day.

On this day, every year since 1980, the BBC has broadcast an evening of special televised fundraising event to support children in need both in this country and overseas.

This year, we will be raising funds during the course of the week and on Friday itself, of course.

To promote the event, we will be staging an extended tutorial session during P4. This will focus on raising awareness of the work carried out by Children in Need.

A lot of students' focus will centre the Beat the Boss Press Up Challenge!

Puzzle: Which is the odd word out?

Charitable

Magnanimous

Parsimonious

Benevolent

Leadership

One of the ways that we try to develop leadership within our students is through the offer of enrichment.

Whether as a cadet, or through a on-field sporting role, opportunities academic and non-academic, from drama and singing to debating and archery are available every day at SHLA.

A letter is been sent to all parents and carers to inform them of the opportunities open to each child.

Literacy

To celebrate Roald Dahl Day, we gave gifts of Roald Dahl books to every child in Year 7. Now that you've had plenty of time to read them, we want to know your opinions.

To find the most popular Roald Dahl books, we are launching our book review competition.

Follow the link from Show My Homework to complete a book review form with the best reviews in each tutor group winning prizes.

We'll use your scores to reveal the top 5 Roald Dahl books as chosen by Year 7.

Is George's medicine be the most marvellous or will Danny prove champion?
